REDEMPTION PROCESS FOR BANK OF AMERICA ASSOCIATES

Offer Code: **SBFEWN**

IMPORTANT NOTE FOR PERSONAL BANKERS: Please use the Online Redemption System or call the Redemption Hotline via OneCall to request the offer fulfillment on the customer's behalf.

¹ Offer expires 12/31/08 and is available in any Bank of America banking center. This form must be presented at the time the account is opened. To receive any of the offers described, the referee/new customer must not be a current business checking customer and the new checking account must remain open until we can verify its eligibility, which generally takes no more than 90 days. The referee/new customer is not eligible for this offer if they were a signer on a Bank of America business checking account that was closed within the last three months. The new customer must also open a Visa® Business Check Card to be eligible for this offer. All accounts are subject to our normal approval process. A new customer can still receive additional rewards by referring other new customers. Offer does not apply to second or multiple business checking accounts. Only Small Business checking products are eligible for the Business Referral offer. Bank of America sales associates are not eligible for this offer. Ask a Bank of America associate for details on the Referral Program. This offer may not be combined with any other offer. After we verify that the new customer opened a qualifying new business checking account, the referee will be paid the appropriate referral reward and a \$50 donation will be made to the eWomenNetwork Foundation. Additional rewards may be earned by the referee/new checking customer who opens additional account(s) at the same time the checking account is opened. The new customer will receive \$50 for opening a qualifying business checking account, plus the following bonuses if the additional accounts are opened at the same time: \$20 for opening a business saving account, \$50 for applying and for being approved for a business credit card, loan, lease or line of credit, and/or \$100 for submitting an application, obtaining approval and activating a BA Merchant Services Card Processing account (with Bank of America, N.A. and BA Merchant Services, LLC) within 15 days of opening a business checking account, for the total reward of up to \$220. The eWomenNetwork Foundation will receive \$50 if the new customer qualifies for the checking reward. The extra rewards are only paid to the new customer. We generally direct deposit the new customer's total reward amount into their new Bank of America checking account within 90 days of the account opening. If for any reason we are unable to successfully direct deposit the funds, a check will be issued. The eWomenNetwork Foundation will receive their reward via check. We may report to the IRS the value of any premium. Any applicable taxes are the responsibility of the recipient. Only sole proprietors, nonprofits and government agencies are eligible for interest-bearing business checking accounts. Please consult a banking center associate, visit www.bankofamerica.com or see our Business Schedule of Fees for other checking and savings account minimum opening deposits, rates and information. Note: We reserve the right to disqualify any referrals in circumstances where we reasonably believe they were not sent to us in good faith. Referral incentives will only be paid to Bank of America customers.
